

Diversity from Within: Exploring Our Own Differences in Order to Help Us in Our Work with Students

Deepika Bhoolabhai

Almendra Staffa-Healey

Brian David George

Staying open &
positive

Listening with
curiosity &
compassion

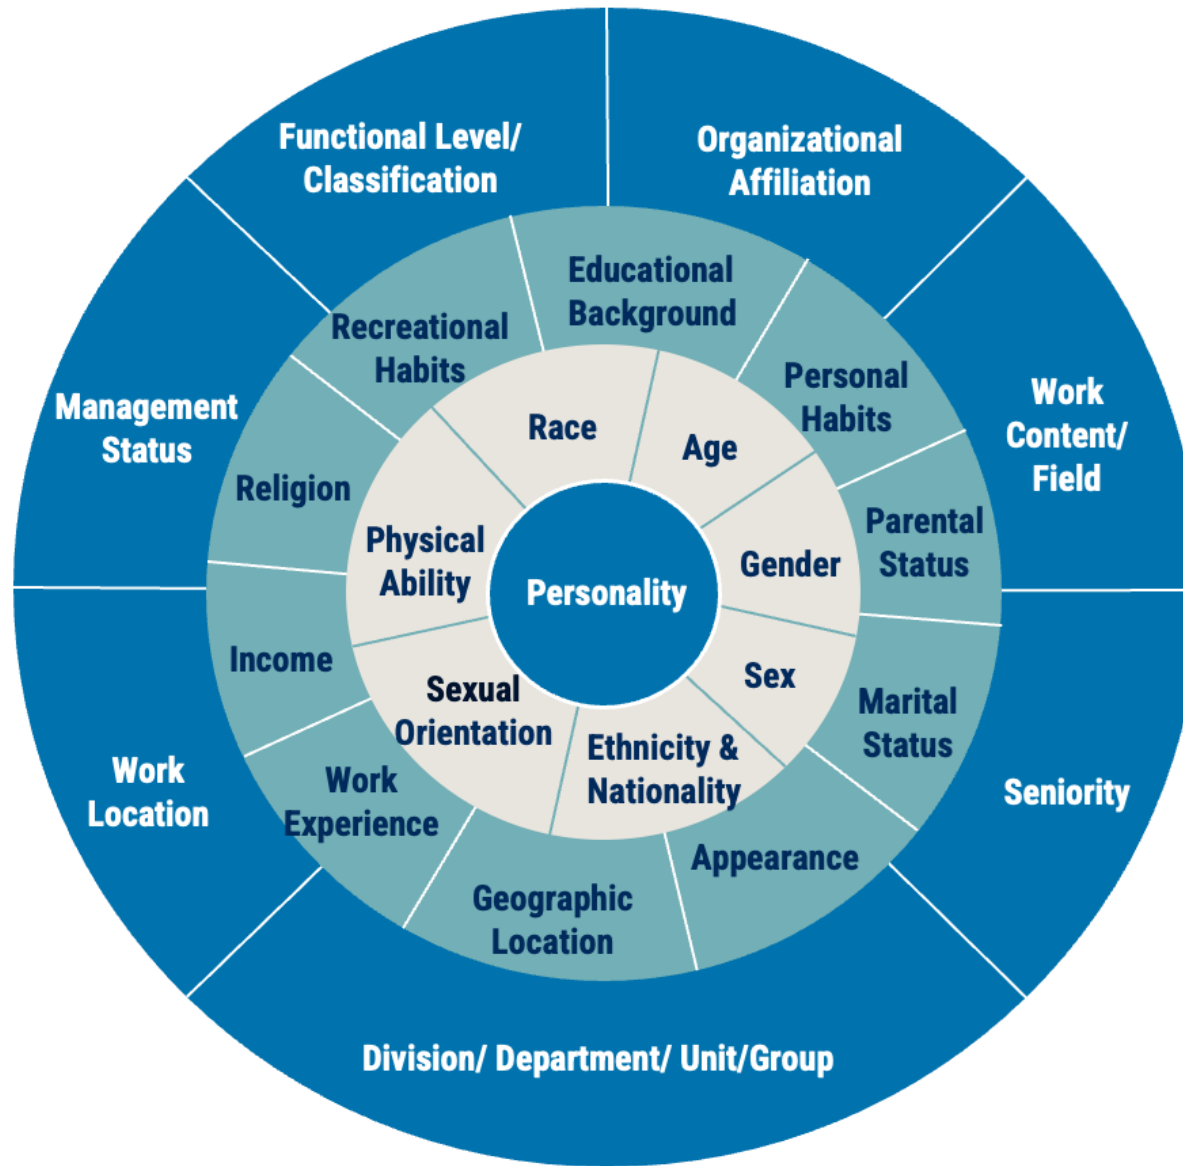

Observing what's
happening inside.
Setting the space

Accepting the
ongoing
journey

Dimensions of Diversity and Identity

**Furthest personal
layer of
experience**

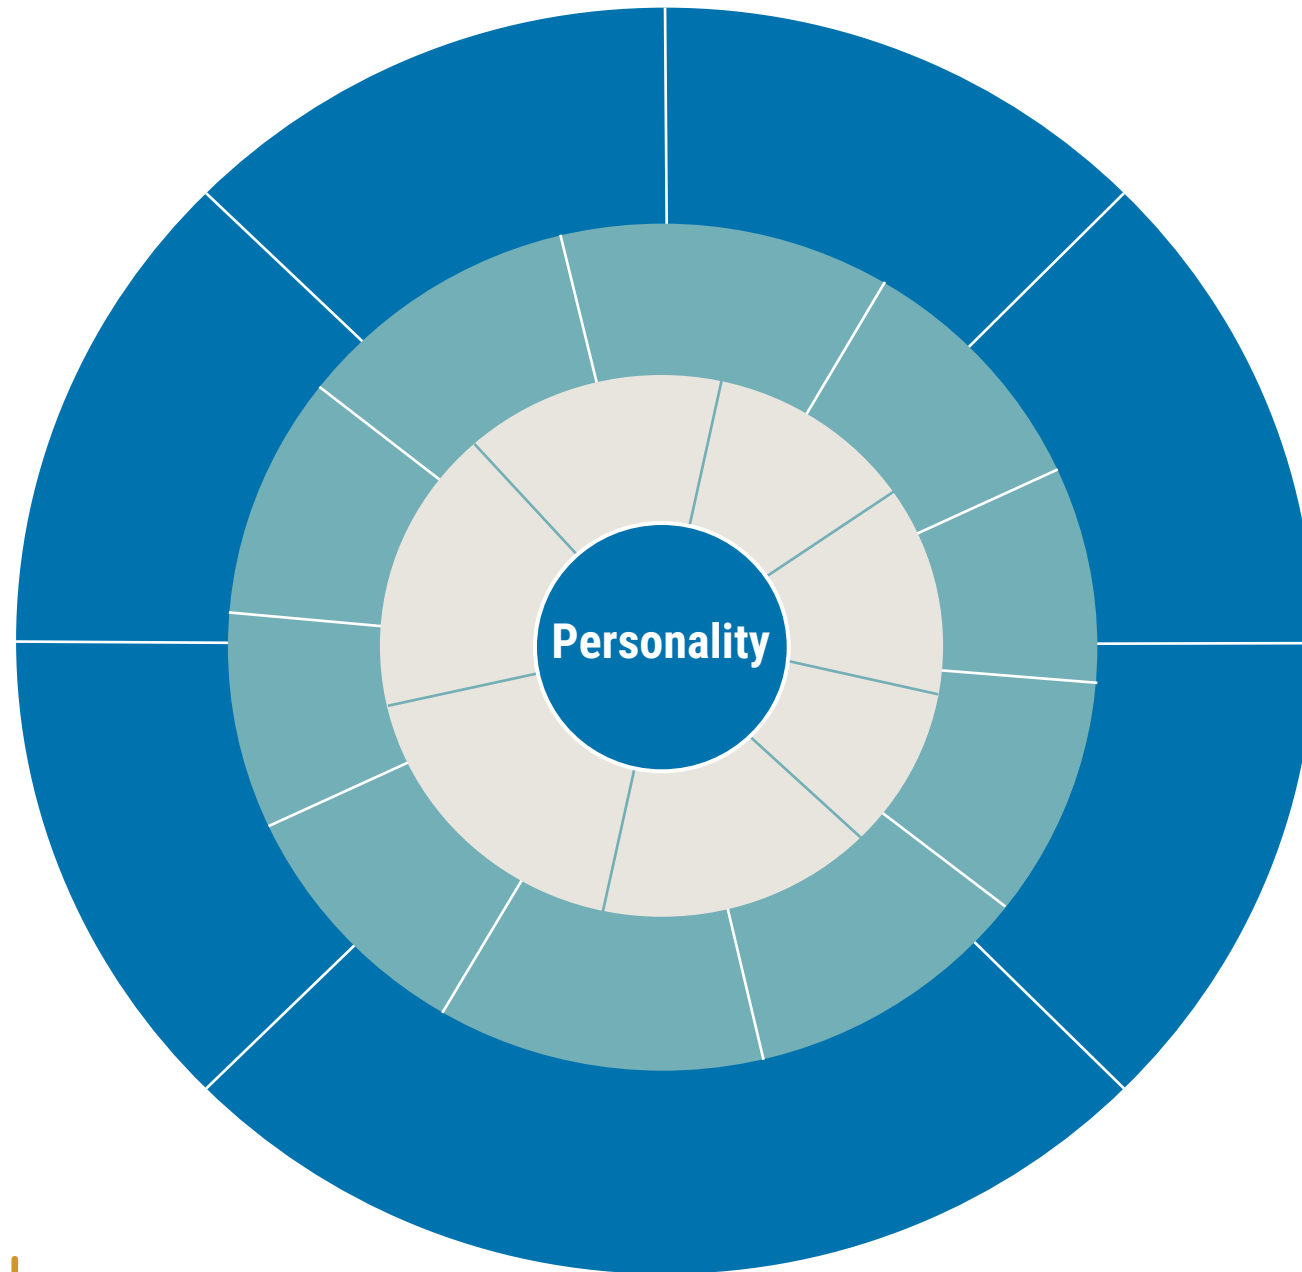

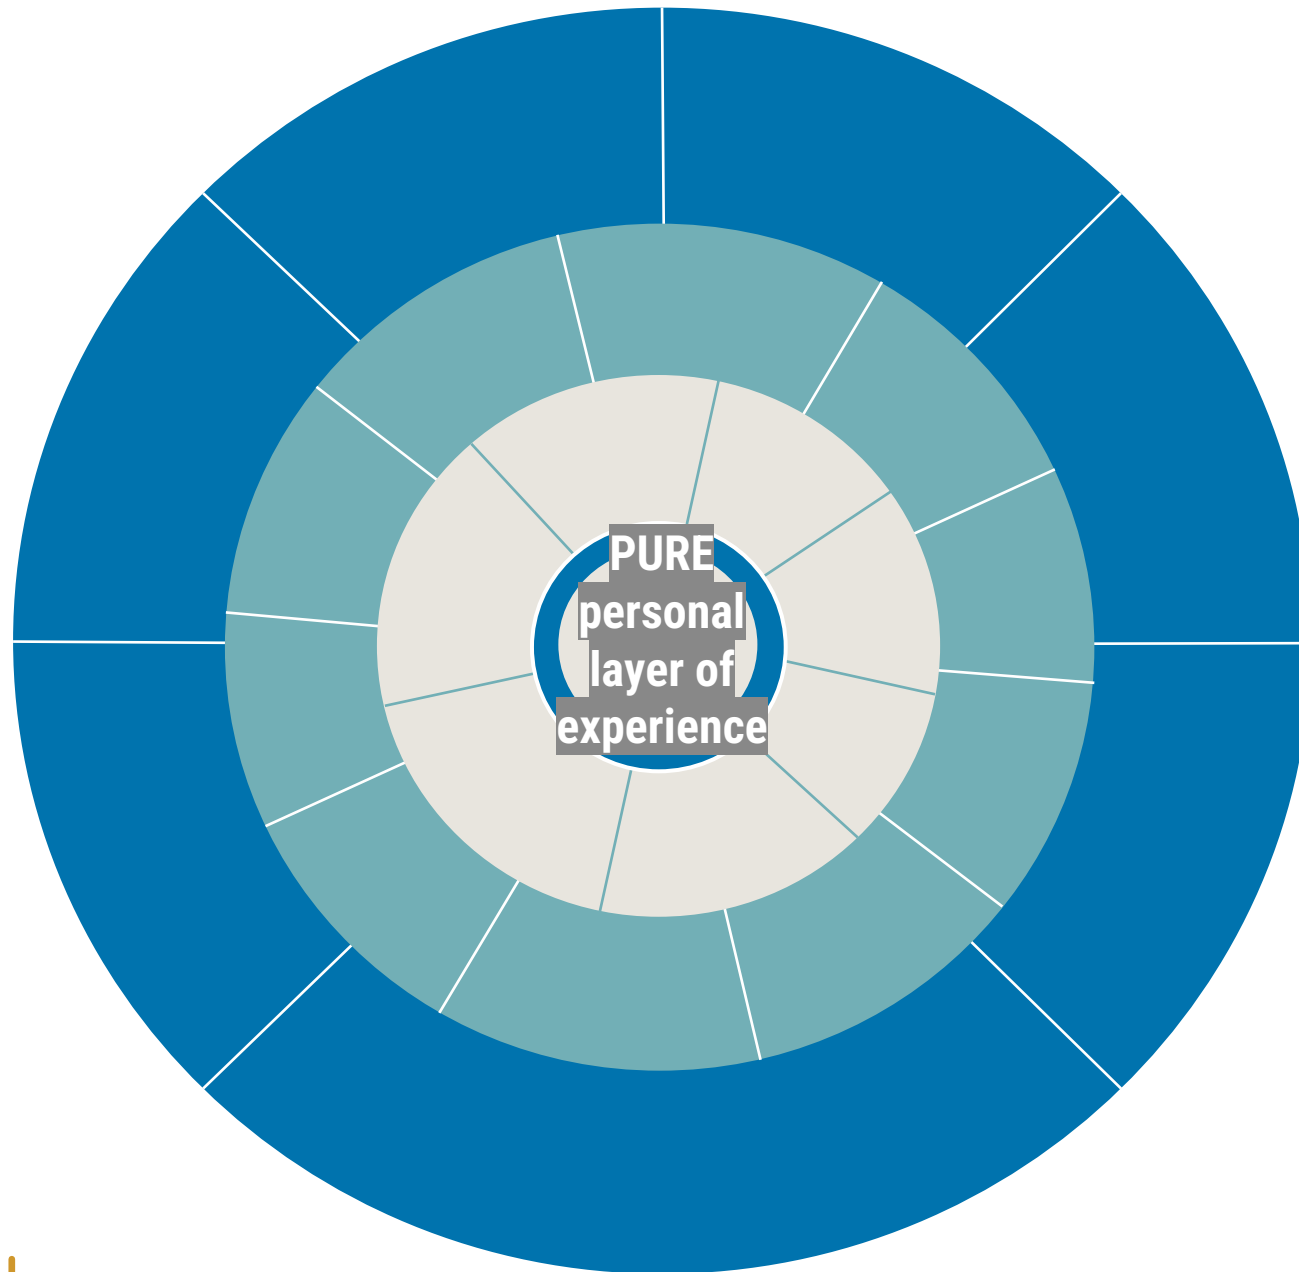

BREAKOUT GROUPS

- 1 Consider and Discuss:** What have you learned about your own diversity? How did that make you feel?
- 2 Discuss:** In the context of today's discussion, how can you use today's discoveries in your work with students? Come up with a list of suggested uses.
- 3 Choose a spokesperson to debrief your discussion. Take notes to share later in the chat. We will return in 10 minutes.**
